

# ***Library Media Center***

## ***Mission Statement***

The Mission of the Alternative Education Library Media Centers is to be a fundamental part of the educational program by fostering students to become life long independent 21<sup>st</sup> century learners through district, state and national standards as a result of:

- Providing access to resources (print, non-print and electronic media),
- Supporting curriculum,
- Fostering collaboration of student and staff learning communities,
- Promoting an appreciation of reading and literature,
- Facilitating the acquisition of Information Literacy skills
- Developing technology skills,
- Encouraging critical and creative thinking skills
